2,008 Lee County residents enrolled in educational offerings and an estimated 6,000 directly benefited from interactions with ISU Extension and Outreach – covering the entire lifespan, from our youngest to oldest Iowans. We're focused on feeding people, keeping them healthy, empowering communities, and turning the world over to the next generation better than we found it. That's how we're building a strong Iowa.

Iowa State University's science-focused business assistance program is a key problem solver for Lee County businesses. The Center for Industrial Research and Service (CIRAS) provided engineering services to 12 businesses last year.

The Small Business Development Center (SBDC) serving Lee County assisted 32 clients last year.
